

## This PDF Form

This PDF form was prepared for your convenience. You should be able to use any Adobe Acrobat reader software (V4 or higher) to fill out the fields on this form. Once completed it can be emailed back to us. If you have difficulty with the form, please just print the form off, fill it out, and mail or fax to us.

## Dates and Location

- Detroit, Michigan—October 25-26, 2005
- Chicago, Illinois—December 6-7, 2005

## Course Registration

To register for a course, please complete the registration form and return it by mail or fax. We will happily accept a company check, purchase order, Visa, MasterCard, or American Express for the cost of the course. All checks and purchase orders must be received before the course.

If for some reason you cannot attend, you may cancel your registration at any time or you may send a substitute. If you cancel less than 7 days before the course, there will be a \$50 cancellation fee. If you cancel more than 7 days before the course, your entire payment will be refunded, or your invoice canceled. In addition, if you cannot attend, you may request that your payment be applied to a future course—and if requested, the course material will be sent to you.

## In-house Courses

BarDyne also offers customized in-house courses. Course content can be adapted for each presentation to match your company needs, industry, schedule, and budget. Courses can be designed from the material in any of our books including Hydraulic Component Design and Selection, Hydraulic System Modeling and Simulation, Hydraulic System Design for Service Assurance, Fluid Contamination Control, and Proactive Maintenance for Mechanical Systems.

## 1.4 CEU Credits

BarDyne will present to each attendee a special Certificate of Achievement at the completion of the course which will indicate the number of Continuing Education Units (CEU) awarded for the class. One CEU is awarded for each ten contact hours of participation.

## Registration Form

**Yes** Please register me for the **Computerized Hydraulic Component Analysis for System Design** course. The registration fee for this course is \$995 per person or \$895 per person for groups of three or more.

**Detroit, Michigan** — October 25-26, 2005

**Chicago, Illinois** — December 6-7, 2005

### \$50 Early Bird Discount

Available to registrations received two or more weeks prior to published course date and paid prior to the commencement of the course.

### Already have a copy of the course textbook?

If you bring your book to the seminar, you may deduct \$250 from the price of the seminar.

### Are you a student or a professor at an academic institution?

If so, you are eligible for a 50% discount (no other discounts would apply)
